2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Richvale Elementary believes that the public interest is best served by assuring high quality education for all students and believes knowledgeable, well-trained, and effective educators are essential to achieving excellence in education. The staff is dedicated to providing high quality programs through a combination of effective and innovative teaching methods.

Richvale is a small rice-growing community, located 75 miles north of Sacramento and 19 miles south of Chico. The nearest shopping, medical, and county facilities are ten miles away. Community members are consistently supportive of the school.

Richvale Elementary is one of three schools in the Biggs Unified School District. Our school has three classrooms. Other facilities include a full-sized gymnasium with a stage and a cafeteria. The school employs three teachers and two instructional aides.

Our Mission is to provide a safe and effective learning environment, which enables students to achieve their maximum potential!

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The district utilizes a process for adopting standards-based core instructional materials from the most recent State Board of Education (SBE) approved materials list. A committee of administrators and teachers are involved in the review process and make a recommendation to the Board of Trustees for district adoption. Parents have the opportunity to review materials that are recommended for adoption prior to approval. All supplemental curriculum or non-adopted textbooks or instructional materials are standards aligned.

Year and month in which the data were collected October 2023

School Facility Conditions and Planned Improvements

The current Richvale Elementary building was completed in 1964. The district maintenance department takes care of all campus buildings. The district participates in the State deferred maintenance program. Proposed maintenance projects are listed in five-year plans. Like a majority of the district facilities, Richvale Elementary School is eligible for modernization funding through the Office of Public School Construction. The district will be working to modernize each school site to ensure that the facilities remain in good repair.

All school facilities comply with the Williams Act. All school facilities are clean, safe, and maintained in good order. Facility improvements include: replaced gym door, hardware, exterior steps, classroom door and hardware, repaired and updated water sample station, installed security cameras and posted safety rules signage.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	46	62	17	22	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent and community involvement in all types of activities is excellent at Richvale Elementary.

There is an exceptionally active parent club - Richvale Parent Association - the parent groups have been instrumental in spearheading several school fund-raising drives and projects, including the purchase and installation of playground equipment and computers. Parents are often called upon to help with school-sponsored fund-raisers and programs, They support field trips and educational supplies as needed.

The School Site Council (SSC) takes an active leadership role in supporting our teachers and students.

Parents are surveyed in October and May. Data is used to inform the LCAP as well as to improve school programs.

2023-24 School Safety Plan

The Comprehensive School Safety Plan complies with state requirements and addresses school safety strategies that are preventative and an annual goal for improving school safety. Regular emergency drills are conducted and include evacuation, earthquake and shelter-in-place. The School Site Council reviews and approves the school safety plan annually.

The district-wide Crisis Response Procedures document outlines the district emergency management procedure. Crisis response teams with varied functions are established to support schools in crisis situations. Specific response procedures to earthquakes, fire/explosion, intruders on campus, as well as many of emergency disasters are outlined.

Each year, safety checks are conducted by district maintenance in conjunction with local fire and police. The district is mandated to correct any safety deficiency.

The district has a Safety Committee which meets regularly to address safety needs throughout the district.

For more information or to view the Comprehensive School Safety Plan and Crisis Response Procedures, please contact the District Office at (530) 868-1281.

The school safety plan was board adopted October 12, 2022. It was then communicated with faculty and students.

Professional Development

For the previous four school years, the school has had three days each year dedicated to staff and professional development. Opportunities for staff development also occur during the school year through various organizations including Butte County Office of Education.

The teachers received professional development in Inspire and Impact, the recently adopted science and social studies curriculum.. Richvale teachers are also involved in LTRS training, a program about the science of reading. In addition, they were offered the opportunity to attend a UDL conference at Chico State, which one teacher took advantage of. All teachers in ilchvale are involved in collaboration with the Biggs teaching staff in developing common assessments and pacing.

This table displays the number of school days dedicated to staff development and continuous improvement.
